ROBERT R. REYNOLDS IV AND SEAN J. GREENE RECOGNIZED AS FLORIDA LEGAL ELITE

ST. PETERSBURG, Fla. — (June 22, 2010) - Robert R. Reynolds IV, director of litigation out of the West Palm Beach office of Steinger, Iscoe & Greene Injury Lawyers, and **Sean J. Greene**, partner out of the Port St. Lucie office of Steinger, Iscoe & Greene Injury Lawyers, were recently recognized in the 2010 edition of *Florida Trend's Florida Legal Elite*[™]. The list of 1,160 honorees, published in the July issue of *Florida Trend* magazine, includes attorneys in private practice as well as a separate list of top government attorneys.

Actively practicing Florida attorneys were asked to name the attorneys that they hold in highest regard as professionals — lawyers with whom they have personally worked and would recommend to others. Recently installed Florida Bar President Mayanne Downs notes, “What your peers have to say about you is important. The Legal Elite list provides consumers of legal services the chance to find that information in one place and that’s a valuable tool.”

“Florida Trend’s readers are executives who rely on the legal community for a myriad of corporate assignments,” says Publisher Andrew Corty. *“Florida Legal Elite*, now in its seventh year, provides a valuable resource for these readers, and the FloridaTrend.com website now offers another pathway for the dissemination of this key information.”

The entire *Legal Elite* report can be viewed by practice areas and region at www.FloridaTrend.com/LegalElite.
